FRENCH – ITALIAN DAY FOR EARLY CAREER RESEARCHERS [ONLINE]

11 OCTOBER 2022

[Registration link](#)

The transition from academia to industry is a professional alternative for many researchers in Europe. Within this reality, networking allows to explore the job market and seize an opportunity. This event offers information to PhD candidates and early career researchers interested in opportunities in the Franco- Italian area, helps them to be acquainted with the methods and the benefits of networking and to expand their professional network beyond academia.

Organizing team:

Lucia Salto (Career Development Facilitator for PhDs, Research Office, University of Turin)

Kristina Berkut (Professional Development and International Cooperation, ABG, Paris)

Moderators: Lucia Salto and Kristina Berkut
