October 2023

AFOHR 2023
2nd Biennial Symposium

Challenges in Human Identification

TURIN, ITALY

VENUE: TORINO ESPOSIZIONI, Corso Massimo D'Azeglio 15, Turin
Reception Venue, 12th October 2023, h. 18:00 Medicolegal Institute,
Corso Galileo Galilei 22, 10126 Turin

Prof. Emilio Nuzzolese
Organising Chairman

Dear Colleagues,

Greetings from the Organizing Desk!

Welcome to the 2nd Biennial Symposium of the Association of Forensic Odontology for Human Rights (AFOHR) in 2023, organized in collaboration with the Section of Legal Medicine, Department of Public Health and Paediatric Sciences of the University of Turin, Italy, and a satellite event organized by the Italian Academy of Legal and Forensic Dentistry (OL-F).

I am honored to welcome you to the University of Turin, which was founded in 1404 by a Papal Bull issued by Pope Benedict XIII. We are one of the oldest, largest, and most prestigious Italian universities, hosting over 79,000 students and 120 premises in different areas of Turin and the Piedmont region. Turin is a "city within a city," promoting culture and producing research and innovation, training, and employment.

Emerging trends and practices in forensic odontology have successfully spread across the globe for humanitarian forensic odontology, bringing together researchers, academics, and learners to serve nations. AFOHR, which promotes humanitarian forensic odontology and forensics, has been working tirelessly since 2015 to prevent human rights violations, joining hands with other experts in forensics from over thirty different countries. This second symposium, like the previous one, is a remarkable forum for knowledge, inviting scientists, academics, researchers, and learners under one roof to share and encourage new technologies and trends, with the purpose of improving the human identification process and respecting the human rights of the deceased. Hope to meet You personally in Turin!

Warm Regards,
Prof. Emilio Nuzzolese, PhD
Organizing Chairman
2nd Biennial Symposium, AFOHR

AFOHR is the first association promoting best practice in human identification and age estimation through humanitarian forensic odontology for the purpose of preventing human rights violations. The need for promoting human rights in the recovery and identification of missing and unidentified persons was first presented by forensic odontologist Emilio Nuzzolese (Italy) at the 9th International Dental Ethics and Law Society (IDEALS) Congress 2012 Leuven (Belgium). This idea gave birth to the group FO4HR-dentifyme on the 5th May 2015 during the Interpol DVI meeting in Lyon (France), which then evolved into association with the new acronym AFOHR (Association Forensic Odontology for Human Rights). The association is a roster of volunteer experts in forensic odontology and other areas of forensics from over 30 countries.

The Symposium is a fulsome stage for sharing knowledge and ideas with fellow mates and avid youth. Therefore, it will follow with:

Keynote Talks

Oral Scientific Paper & Poster Presentations

Workshops

AFOHR 2023
2nd Biennial Symposium

Challenges in Human Identification

UNIVERSITÀ
DI TORINO

Workshop-A, 9:00-14:00 (FREE - pre-registration required)

Humanitarian Forensic Odontology: from Human Rights to Best Practices in Human Identification

Dr. Hemlata Pandey
AFOHR President

Dr. Evi Untoro
AFOHR Treasurer

Dr. Ranjeet Singh
AFOHR Secretary

Dr. Sven Benthous
NGO ETAF

Prof. Emilio Nuzzolese
AFOHR Past President

A Maximum of 100 participants will be accepted in Workshop
VENUE: TORINO ESPOSIZIONI, Corso Massimo D'Azeglio 15, 10126 Turin

Workshop-B, 15:00-18:00 (pre-registration required)

Dental Age Estimation

(training session. Bring your laptop)

Prof. Roberto Cameriere
Chief Coordinator, AgEstimation Project

Dr. Denise Piano
Instructor Dental Age Estimation

Dr. Leonardo Catalini
Instructor Dental Age Estimation

A Maximum of 50 participants will be accepted in Workshop
VENUE: Medicolegal Institute, Corso Galileo Galilei 22, 10126 Turin

ABSTRACTS SUBMISSION—Deadline 31st August 2023

Guidelines for Paper Presentation

Paper Abstract Layout (Oral communication or Poster)

- The Paper should be **UNIQUE** and **UNPUBLISHED**, offering new perceptions, a new approach, or new knowledge to the body of literature.
- The Abstract should be of a maximum of 300 words followed by a minimum of five keywords and the final manuscript (Note: should not include graphs/tables/images).
- The following information, in the given format, should be included in the Abstract:
 - Title of the Abstract
 - Name of the Author and co-authors
 - Official Designation/Institution Details
 - Address and Email
 - Type of presentation (Poster or Oral Communication)

The payment confirmation receipts of the author and co-authors should be attached for approval of the abstracts.

- The submitted Abstract with relevant information will be regarded as the final submission considering the author's name, co-authors and their affiliation. Any errors in spelling, grammar or scientific fact will be reproduced as submitted by the author.
- Participant need to email their respective abstracts before the mentioned deadline to afohrofficial@gmail.com with the proof of payment.

Presentation of Paper

- The Paper has to be presented in Microsoft Office: PowerPoint in 16:9 ratio slides in the **TEMPLATE**.
- The research work needs to be presented on slides having relevant information such as introduction, method and methodology, result and conclusion and references.
- The time limit for the presentation will be 8 minutes, followed by a 2 minutes discussion.
- The Paper should be professional and visually appealing, with a balance of text and graphics (charts, pictures, diagrams).
- The presenter should summarize key points and avoid placing too much information into each slides. The Paper should be devoid of lengthy paragraphs and include short bullets.
- The Paper presentation content should reflect the content of your abstract, and the use of the abstract headings (introduction, objectives, methods or approach, results or practice implications, conclusions) is allowed as a basic template.
- The presenter should consider what information can be appropriately summarized on the slides of Paper presentation and translated into tables, figures, charts or diagrams.

Criteria for Evaluation

The evaluation depends upon the following parameters: presentation skills, presented amount of content, topic relevancy, and answers delivered to the panel of jury members.

In the case of multiple authors, only one author would be allowed to present the Paper. All the co-authors need to register themselves separately to receive the participation Certificate as Co-authors.

Publication

Accepted papers will be published in extenso in the Special Edition Advances in Forensic Dentistry of Oral www.mdpi.com/journal/oral/special_issues/Advances_Forensic_Dentistry Guest Editor Prof. E. Nuzzolese.

[Oral is an international, peer-reviewed, open access journal on oral health published quarterly by MDPI.]

Online Registration Guidelines

STUDENT

€ 15

PROFESSIONAL

€ 30

- The participant can register for the Conference from the website www.forensicevents.com to gain knowledge from the eminent speakers and present their work at the Conference.
- The link for joining the Conference will be shared with the delegates and the confirmation mail. For any queries and assistance, delegates can contact at +91-9818877002 or afohrofficial@gmail.com
- In case of payment of registration fee via **Account Transfer** or **UPI** (not from website), delegates need to email the proof of payment to afohrofficial@gmail.com for confirmation and register yourself as a delegate for the Conference.
- Participants can submit their abstracts to afohrofficial@gmail.com (as per the submission guidelines) along with proof of payment, applicable for both authors and co-authors.
- **Any modification in the shared abstracts for presentations will not be accepted after the final submission date** (if provided with genuine grounds).
- The confirmation for the presentation of abstract LIVE at the Conference would be given to the delegates as only **10 outstanding** paper and poster abstracts, individually.
- The delegates participating in presentations will receive **Two Certificates** as eCertificate of Participation in the Conference and, subsequently, the second one for presenting in the scientific competitions.
- The Winner (author/presenter) of the Scientific Presentations will receive **Three Certificates**, one as eCertificate of Participation in the eConference, second for presenting at the scientific competition, and **third** for winning a Position in the competition. It applies to both the Student and Professional categories.
- International Participants can also at forensicdocument@gmail.com
