Application

1. How to apply

International
Affairs

Each Degree Programme is associated to one or more Departments, one of which is the Main Department.

You must apply according to the Main Department **under which your degree programme is offered**:

- Main Department is associated to a "School" : you can choose a destination amongst all the ones offered by the Departments associated to that School
- Main Department **is not** associated to any "School": you can only choose destinations offered by your Main Department

Check the Table ["Corsi di Studio - Dipartimenti – Scuole"](#) to verify under which Department your degree programme falls

Carefully read the [Annex I](#)
-
Allegato I

Verify the available destinations under [Elenco destinazioni attive per l'a.a. 2023-2024](#)

2. Choosing destinations

Select your destination(s) carefully!

FIELD OF STUDY OF THE BILATERAL AGREEMENT (ISCED): *Your degree programme must match with the study field of the bilateral agreement*

STUDY LEVEL DURING YOUR MOBILITY ABROAD (OUTGOING)

ACADEMIC OFFER AT HOST UNIVERSITY

NOTE: further information/requirements you must to meet to be selected for that destination («meta riservata, partenza primo semestre non garantita» etc.)

Additional requirements: language requirements set out by the Partner University to be admitted as an exchange student

Application Form (to be admitted at the Host Institution): verify the deadline and the documents you need to provide

UNIVERSITÀ

LANGUAGE REQUIREMENTS

- Indicated, if any, within the **Additional requirements** section of the destination (Partner University)
- In same cases:
 - They have been provided by the School/Department at UniTo according to the instructions in **Annex I.**, in this case they are relevant for the selection of candidates;
 - They have been provided by the Partner University and in this case they will be relevant during the application process at the Partner University

TIP: read carefully the website of the host University and do not take anything for granted!!!

When am I required to fulfill the language requirements?

2. Choosing destinations

UNIVERSITÀ
DI TORINO

International
Affairs

You can select a maximum of three destinations
(*unless otherwise specified in the Annex I*)
listed in order of preference BUT....

- choosing two/three destinations is not compulsory;
- make sure to only apply for destinations that genuinely interest you. In fact, candidates can initially be placed on any of their selected destinations and not necessarily the first.

!!Attention: Graduation timeline!!

Students in year 3 of their undergraduate degree programme must apply for PG positions if they want to carry out their mobility during their first year of their postgraduate degree programme

4. Nominations and departures

ATTENTION!

Annually, the Partner Universities define deadlines for the receipt of names (*nomination*) and admission (*application*) of Erasmus mobility winners.

If the above deadlines are prior to the conclusion of the selection process of the University of Turin, departure in the 1st semester of the a.y. 2023/2024 is **NOT guaranteed** and it will be necessary to consider a possible departure in the 2nd semester, regardless of the number of months provided by the destination.

PROGRAMME COUNTRIES, UNITED KINGDOM AND SWITZERLAND destinations

potentially affected by earlier nomination deadlines are noted with the following wording: "Sulla base della scadenza Nomination prevista dall'Ateneo partner, l'avvio della mobilità nel primo semestre non è garantito."

- Based on the Nomination deadline scheduled by the host university, the start of mobility in the 1st semester is not guaranteed.

For mobility to **PARTNER COUNTRIES**, each applicant is required to independently check the nomination deadlines and application requirements (application for admission) directly with the host University by consulting the website.

All students are encouraged to check these deadlines on the Partner University website.

Selection criteria, scores and eligibility

1. How is your total score calculated

TOTAL SCORE: max 100

A. Academic merit: it will assess the student's profile recorded on the 31st October 2022: **max 70 points**

A1) Weighted average of grades: **max 35 points**

A2) Number of credits recorded: **max 35 points**

B. Additional score max 30 points:

Awarded by the Evaluation Committee of each School/Department based on the selection criteria set out in Annex I of the Call.

Should there be more than one student with an equal score, priority will be given to the one who has been enrolled at UniTO the longest (not considering students behind with their exams – “*fuori corso*”) and eventually, to the youngest candidate.

1. How is your total score calculated

FOUR TYPES			
Type 1	Type 2	Type 3	Type 4
Students enrolled in <u>a year following the first year of any cycle</u>	Students enrolled at <u>Year 1 of a postgraduate degree program or PhD course</u> (laurea magistrale or dottorato)	Students enrolled at Year 1 of a postgraduate degree program or PhD course (laurea magistrale or dottorato) with <u>international qualifications</u>	Students enrolled at <u>Year 1 of an undergraduate or a 5/6 years postgraduate degree program</u> (laurea triennale o corso di laurea magistrale a ciclo unico)
Your merit score (A) will be calculated according the grades registered on your «carriera» by 31/10/2022.	The merit score will be based only on the graduation grade of the previous career by awarding <u>up to a maximum of 70 points</u> proportionally to the graduation grade.	Score A. Academic merit=70 regardless of the final graduation score («voto di laurea») obtained.	Score will be A=0 N.B. However, the Commissions might award an additional score up to a maximum of 100 points for this type of student.

2. Rankings and results

RANKINGS AND RESULTS	
Phase 1 Temporary ranking list starting from mid-February 2023	Students are allocated to a destination in descending order of score , taking into account, if possible, the preferences expressed during the application process. VERIFY YOUR SCORE on your MyUniTO profile DO NOT accept the destination at this stage!
Phase 2 Requests for review	Should the student find any anomalies in the outcome of their application, they can submit a request for it to be reviewed. Students can only apply for a review for one or both of the following reasons: <ul style="list-style-type: none">• incorrect attribution of additional score;• incorrect exclusion. Requests have to be submitted (through Google Form) within 3 calendar days from the publishing of the temporary ranking list and they will be reviewed by a Committee within the School/Department.
Phase 3 First final ranking Starting from the end of February 2023	Publication of first final ranking list.
Phase 4 Accepting/refusing the mobility	Students must accept or refuse the Erasmus destination which they have been selected for within 5 calendar days from the publishing of the list. Students will not be offered any other destination if they reject their offer and will lose all right to Erasmus+ Mobility for study 2023/2024.

RANKINGS AND RESULTS: SEVEN PHASES

Phase 5 Reallocating students

After Phase 4, eligible students not yet assigned will be transferred to destinations with places made available by students refusing or failing to accept their destination. Those who still don't have a position could be assigned a place in destinations left vacant following the Evaluation Committee procedures.

Reallocating students can be done by a public Call or an official assignment in two different ways: **(see Allegato I/Annex 1)**:

- A. Reallocating by single ranking:** Eligible candidates are placed in a single ranking based on their highest score and destinations available are assigned in descending order of score
- B. Reallocation by language** (English, French, German, Portuguese, Spanish and any other language)
Different rankings are drawn up based on languages related to students' preferences.

During this phase students can be assigned to any destination with available slots and not necessarily to the destinations selected in their application

Phase 6 2nd Final Ranking Starting from mid-April 2023

Publication of final ranking list.

Phase 7 Accepting/refusing the mobility

Students must accept or refuse the Erasmus destination which they have been selected for within 5 calendar days from the publishing of the list. Students will not be offered any other destination if they reject their offer and will lose all right to Erasmus+ Mobility for study 2023/2024.
