Glimpses of Cell Biology

A workshop on advanced molecular and cellular approaches to 'look' inside cell processes with unprecedented power

22 - 23 September 2014
09.00 | 17.30

Dip. Scienze della Vita e Biologia dei Sistemi

September 22

Herman Spalink | University of Leiden, NL

Knud Jensen | University of Copenhagen, DK

Ton Bisseling | University of Wageningen

Aula Magna

Viale Mattioli 25

Torino

September 23

Jens Tilsner | University of Saint Andrews, UK

Giorgio Volpi | University of Turin, IT

Federico Luzzati | University of Turin, IT
