**By car**
Six different motorways connect Torino to other major Italian and European cities. The main entrances to the motorway are placed directly north, south, east, and west of the city.

**By plane**
Torino has its own international airport, known both as *Turin Caselle* or *Turin Sandro Pertini* (TRN), located 16 kilometres northwest of the city centre. From Caselle Airport a shuttle bus will take you to the Porta Nuova or Porta Susa railway stations in about 45 minutes. Then follow the directions from Porta Nuova or Porta Susa.
