UNIVERSITÀ

Erasmus+ mobility is (MOST OF ALL) **a LIFE experience** for those who would like to:

 enjoy an international environment

 enrich their CV

 learn one or more foreign languages

Evidence shows that the Erasmus+ experience is associated with an increase in cognitive cultural intelligence, transversal competencies and wish for an international career\*.

Did you know that...

The European Commission's report "**Impact Study on the Erasmus+ Higher Education Program**", conducted on a sample of 2 million participating students, found that

**the 80% of Erasmus+ participants found a job within 3 months** from getting their degree!

72% of them believe they found it thanks to this experience!!

## Winners Edition a.y. 2022-2023:

Erasmus is  
a cry for peace  
all the more necessary  
as the desire for it to be current.

Erasmus is a choice of inclusion,  
an opportunity to get to know  
other pieces  
under the same sky of stars.

(Sara Balsamo)

«This land is brazenly beautiful, without  
shame or interest.

I'm not surprised by the amount of art I  
found in Trondheim. What else should  
one do in the face of all this if not try to  
capture it?

Simple contemplation is not enough to  
contain such beauty.»

(Chiara Ronchetti)

«Erasmus is not just an academic  
parenthesis, but an experience that  
has profoundly and lastingly shaped  
the way I see the world [...].

Programs like Erasmus [...] are  
fundamental tools for building a more  
open, supportive, and collaborative  
European and global society.»

(Lorenzo Scaroni)

---

# 1. How to apply

UNIVERSITÀ  
DI TORINO

Each Degree Programme is associated to one or more Departments, one of which is the Main Department.

You must apply according to the Main Department **under which your degree programme is offered**:

- Main Department is associated to a "School" : you can choose a destination amongst all the ones offered by the Departments associated to that School
- Main Department **is not** associated to any "School": you can only choose destinations offered by your Main Department

Check the Table [Corsi di Studio - Dipartimenti – Scuole](#) to verify under which Department your degree programme falls

Carefully read the [Annex I](#)

Verify the available destinations under [Elenco destinazioni attive per l'a.a. 2025-2026](#)

# 2. Choosing destinations

UNIVERSITÀ  
DI TORINO

**Select your destination(s) carefully!**

- **FIELD OF STUDY OF THE BILATERAL AGREEMENT (ISCED):** *Your degree programme must match with the study field of the bilateral agreement*
- **STUDY LEVEL DURING YOUR MOBILITY ABROAD (OUTGOING)**
- **ACADEMIC OFFER AT HOST UNIVERSITY**
- **NOTE: further information/requirements you must meet to be selected for that destination** («meta riservata, partenza primo semestre non garantita» etc.)
- **Additional requirements: language requirements set out by the Partner University to be admitted as an exchange student**
- **Application Form (to be admitted at the Host Institution):** verify the deadline and the documents you need to provide

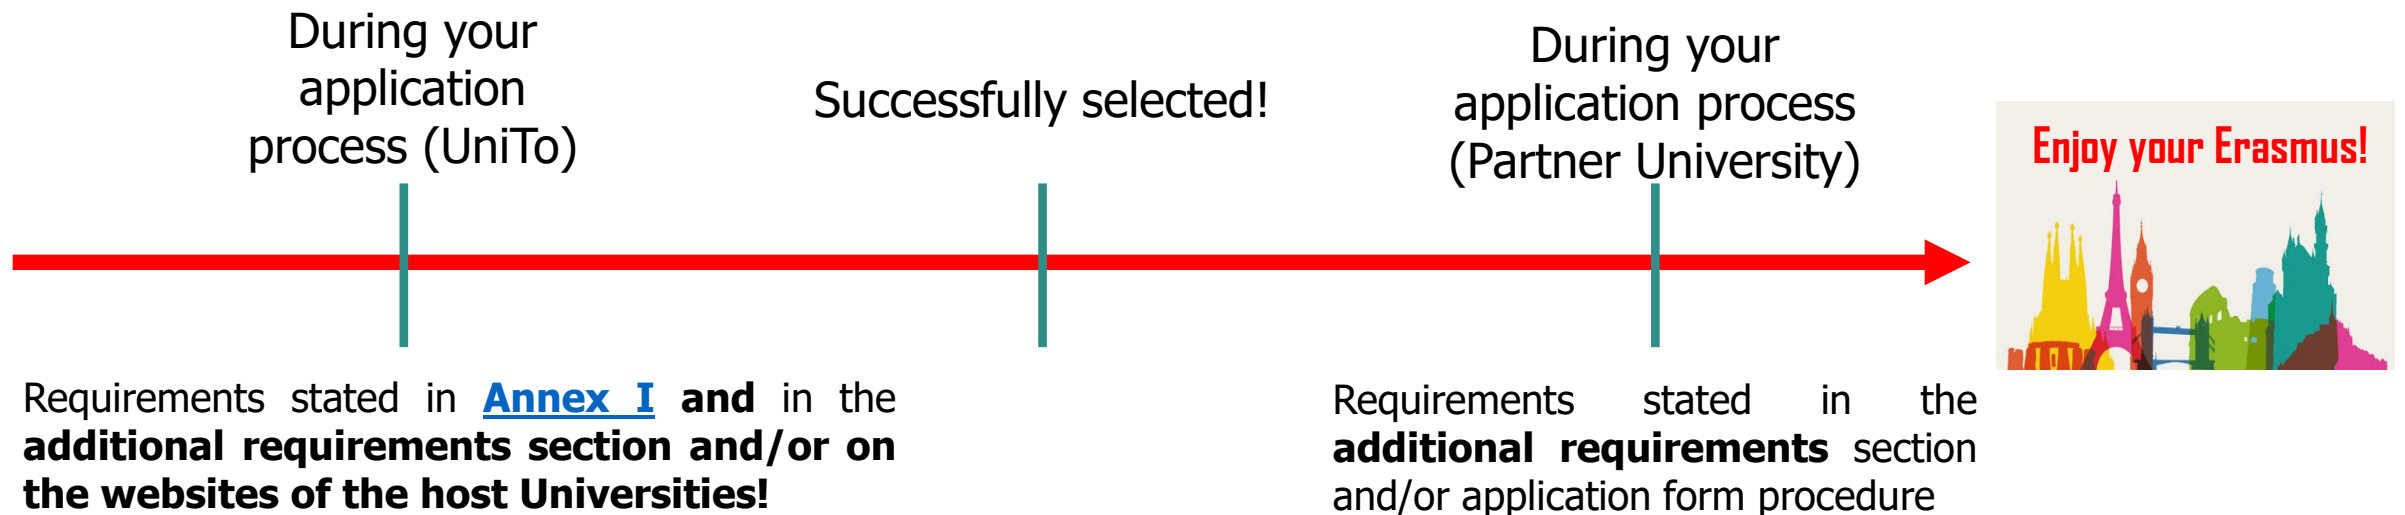

# LANGUAGE REQUIREMENTS

UNIVERSITÀ

- They have been provided by the School/Department at UniTo according to the instructions in [Annex I](#), in this case they are relevant for the selection of candidates;

listed in order of preference  
**BUT....**

**!!Attention: Graduation timeline!!**  
**Students in year 3 of their undergraduate degree programme must apply for PG positions if they want to carry out their mobility during their first year of their postgraduate degree programme**

# 4. Nominations and departures

UNIVERSITÀ  
DI TORINO

## *ATTENTION!*

Annually, the Partner Universities define deadlines for the receipt of names (**nomination**) and admission (**application**) of Erasmus mobility winners.

If the above deadlines are prior to the conclusion of the selection process of the University of Turin, departure in the 1st semester of the a.y. 2025/2026 is **NOT guaranteed** and it will be necessary to consider a possible departure in the 2nd semester, regardless of the number of months provided by the destination.

### **PROGRAMME COUNTRIES, UNITED KINGDOM AND SWITZERLAND destinations**

potentially affected by earlier nomination deadlines are noted with the following wording: "Sulla base della scadenza Nomination prevista dall'Ateneo partner, l'avvio della mobilità nel primo semestre non è garantito."

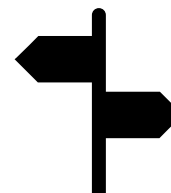

That means that **Based on the Nomination deadline scheduled by the host university, the start of mobility in the 1st semester is not guaranteed.**

For mobility to **PARTNER COUNTRIES**, each applicant is required to independently check the nomination deadlines and application requirements (application for admission) directly with the host University by consulting the website.

All students are encouraged to check these deadlines on the Partner University website.
