ACADEMIC CURRICULUM

Assistant Professor in Sociology (SPS/07) – Faculty of Political Sciences – University of Torino

Cristopher Cepernich is Assistant Professor in Sociology. He has been with the Faculty of Political Sciences on 1st October 2007 afferent to the Department of Political Studies, now Cultures, Politics and Society.

It has been confirmed in the role of Researcher with Decree of 6684 of 3rd November 2011. Since 1995 he conducts researches and teaching in the field of sociology of communication and political communication.

He actually teaches Sociology of media and Media systems and ICT at the Faculty of Political Science and Sociology of cultural and communicative processes at the Interfaculty of Strategic Sciences.

In 2008 he participated in the design and the foundation of the Observatory on Political Communication at Department of Political Studies (<http://www.politicalcommunicationmonitor.eu>). In continuity with the path of doctoral studies, he has focused his research activity on the analysis of media representations of social and political phenomena. His research interests are articulated into four fields:

- Analysis of the scandal as a social mechanism, as a strategy of communication in political field and as a format of the news;
- Analysis of the media coverage of events and pseudo-events, political and social issues and political-institutional actors for the analysis of public discourse and social perceptions;
- Analysis, in a comparative perspective, of the media systems and policies for national and international communication, with focus to the analysis of the relationship between media and politics in Italy;
- Analysis of the impact produced by new media in the political and electoral communication.
