

## **MARGHERITA MICHELETTI CREMASCO**

### **CURRICULUM VITAE**

Born in Milan (Italy) in 1964.

#### **Studies, formations and titles:**

1983 Classical high school

1990 M.A. Degree in Biological Sciences - University of Torino

1992 Member of the National Biologists Register

1996 Faculty of Sciences official expert in Physical Anthropology (BIO 08 sector)

1998 PhD in Physical Anthropology - University of Florence

2002-2004 Post-Doctorate in Anthropology - University of Torino

2003 Postgraduate course of Ergonomics (Master I)

2007 research grant assigned in Ergonomics (M-PSI 06 sector)

2007 Faculty of Humanities official expert in Cognitive Ergonomics (M-PSI 06 sector)

2007 Certified as European Ergonomist (Eur-Erg by CREE)

From 2008 Researcher Physical Anthropology in the Faculty of Sciences - University of Torino (BIO 08 sector).

#### **Scientific -cultural associations**

- S.I.E. (Società Italiana di Ergonomia) member from 2003
- “Associazione di Antropologia ed Etnologia Amici del Museo di Torino” (Anthropology Museum)
- Italian Anthropological Association (AAI) member from 1995
- EAA (European Anthropological Association) member from 2005
- National Biologist Register from 1992

#### **Professional experiences:**

##### **Collaboration in the organization of congresses (10) and temporary museum exhibitions (14)**

#### **Experiences with private corporations:**

2004 **SKF Industries** (Villar Perosa -TO). As ergonomist adviser: environmental, workplace stations and activities ergonomics analysis.

2005 Scientific responsible for the **SERICA** firm (by Cinti Alessandra) of anthropological study on human remains from n°65 Monforno site (VC).

From 2006 **HERMES GREEN SRL** (Asti). As ergonomic adviser: both teaching and applied intervention with environmental, workplace stations and activities ergonomics analysis.

2006. **Supermercati Gulliver** (Asti) by **Alfi s.r.l.** As ergonomist adviser: biomechanical risks evaluation of repetitive injuries.

2008-9 **LEAR Corporation Italia srl** (Grugliasco-TO). As ergonomist adviser: biomechanical risks evaluation of repetitive injuries.

#### **Experiences with public corporations or Universities (last five years):**

2005 Animals and Human Biological Department of **Turin University**: bimestrial contract for: "Reorganization and study of an auditory ossicles collection" (Prof. M. Masali).

2006 Animals and Human Biological Department of **Turin University**: bimestrial contract for: “Reorganization and study of a pre-protolithic human remains collection” (Anthropological and Ethnographical Museum-Turin University - Prof. E. Rabino Massa)

2006-2007 Animals and Human Biological Department of **Turin University**: bimestrial contract for: “Anthropometrical data base organization”(Prof.ssa E. Fubini)

### **Ability and professional competences:**

#### **Research in Physical Anthropology, Anthropometry and Ergonomics:**

Her scientific activity actually regards mainly the following research topics:

- Anthropometric and biomechanical surveys on Italian Population (present and past samples)
- Study of children anthropometric characteristic in particular regarding secular trend, and relation among obesity, life stile, sports, habits about technology use.
- Posture analysis of students working with VDT
- Biomechanical workload evaluation and risks analysis

Author of 93 congress communications, 83 publications

#### **Teaching**

##### Professor annual contract

1997-2000 Anthropology – ISEF (School of Physical Education – University level)-Torino

2002-2004 Anthropometry and Ergonomics - ISEF-Torino

2000-2008 Anthropology SUIISM –(University Interfaculty School of Motorial Sciences) University of Torino (Voghera, Torino, Vercelli, Asti)

2006-2008 Anthropometry and Ergonomics – Faculty of Sciences, Biological Sciences I and II levels - University of Torino

##### Other courses in Ergonomics c/o:

Politecnico of Torino; Esperimental Design Center Poliarte (Ancona); Università di Firenze; Formation Courses on Safety at the University of Torino and for private Corporations . (Hermes s.a.s. di Silvano Fossa & C.-Asti, HERMES green S.r.l.-Asti, Soc. Coop. Sociale Onlus Senza Confini-San Damiano d’Asti, AL.FI s.r.l. -Casalnoceto-AL),

Tutor of 30 Master of Art Theses in Natural, Biologic and Motor Sciences, and 1 first level Master Thesis in Ergonomics.
