Abstract di relazioni a convegni internazionali

Bara B., Bucciarelli M. e Lombardo V. 1994.

Propositional reasoning with mental models: A comparison between experimental and artificial subjects. *VII Conference of the European Society for Cognitive Psychology*, Lisbona, 10.

Bucciarelli M. 1995.

Syllogistic reasoning with mental models: the basic component skills. *VIII Conference of the European Society for Cognitive Psychology*, Roma, 10.

Bara, B. G., Bucciarelli M. e Lombardo, V. 1995.

A unified theory of formal reasoning with mental models. *Econa Poster Session: Perspectives on italian cognitivism*, Roma, 23-24.

Blanzieri, E. e Bucciarelli, M. 1996.

Reasoning processes underlying communication: Extracting the rules of the game from a connectionist network. *IX Conference of the European Society for Cognitive Psychology*, Wurzburg, 101.

Bucciarelli, M. 1997.

Strategies in syllogistic reasoning. *Convegno Internazionale su: Modelli Mentali - Mental Models*, Padova.

Bara, B. G., Bucciarelli, M. e Lombardo, V. 1998.

Development and changes in the ability to reason. *XI Congress of the European Society for Cognitive Psychology*, 256, Jerusalem.

Johnson-Laird, P. N., Savary, F. e Bucciarelli, M. 1998.

Strategies and tactics in reasoning. *Workshop on Deductive reasoning and strategies*, Brussels.

Bucciarelli, M. e Johnson-Laird, P. N. 1999.

Reasoning about truth and falsity: the origins of rationality. *Workshop on Mental Models*, Madrid.

Bara, B. G., Bosco, F. e Bucciarelli, M. 2000.

Recognition and recovery of communicative failures in children. *7th International Pragmatics Conference, Budapest*, 12, Luglio 9-14.

Sacco, K. e Bucciarelli, M. 2001.

Comprehension of true and false propositions within pragmatic contexts. *The XII Conference of the European Society for Cognitive Psychology*, 197, Edinburgh, Scotland, September 5-8.

Sacco K. e Bucciarelli M. 2001.

How do people understand possibilities? A proposal for an extension of mental model theory.

Invited presentation for the workshop The Mental Models Theory: Refinements and Extensions. Brussels, Belgium, March 23-24.

Becchio, C., Bucciarelli, M. e Geminiani, G. C. 2003.

Deduction in right brain damaged patients.

The 2nd International Conference on Reasoning and Decision Making,

Reasoning and understanding: Mental models, relevance and limited rationality approaches, Padova, 17-18 Marzo, 2003, 17.

Cutica I. e Bucciarelli M. 2003.

Gestures and the construction of models

The 2nd International Conference on Reasoning and Decision Making,

Reasoning and understanding: Mental models, relevance and limited rationality approaches, Padova, 17-18 Marzo, 2003, 11.

Galletto V., Sacco K., Bucciarelli M. e Blanzieri E. 2003.

The development of inductive reasoning: Cases, models, rules.

The 2nd International Conference on Reasoning and Decision Making,

Reasoning and understanding: Mental models, relevance and limited rationality approaches, Padova, 17-18 Marzo, 2003, 12.

Blancato, I. e Bucciarelli, M. 2004.

Learning oriented communication: Unidirectionality and bidirectionality in audio and audio-visual contexts.

The Fifth International Conference on Thinking, Leuven, Belgio, Luglio 22-24, p.42.

Cutica, I. e Bucciarelli, M. 2004.

How spontaneous gesticulation facilitates the construction of mental models.

The Fifth International Conference on Thinking, Leuven, Belgio, Luglio 22-24, p. 25.

Vallana, M., Bosco, F.M. e Bucciarelli, M. 2005.

Children's comprehension of standard, ironic and deceitful metaphors.

9th International Pragmatics Conference, Riva del Garda, Italy, 10-15 July 2005, 372-373.

Cutica, I., Bucciarelli, M. e Bara, B. G. 2005.

Pragmatic competence in right-hemisphere-damaged patients.

9th International Pragmatics Conference, Riva del Garda, Italy, 10-15 July 2005, 89.

Bucciarelli, M. 2005.

Sort of mental representations and complexity of inferential chains account for the emergence of linguistic and extralinguistic pragmatic abilities.

Pragmatique et développement des habiletés conversationnelles, Tolosa, France, 13 May 2005, 4-5.

Bucciarelli, M., Johnson-Laird, P.N. 2006.

Illusions in deontic reasoning.

Meeting on mental models, Dublin, Ireland, 22-23 March 2006.

Cutica, I., Bucciarelli, M. 2006.

Why gestures matter in learning from a discourse.

Second Biennial Conference on Cognitive Science, St. Petersburg, June 9-13.

Vallana, M., Bosco, F.M., Bucciarelli, M. 2006.

Conventional metaphors and communicative meanings.

Second Biennial Conference on Cognitive Science, St. Petersburg, June 9-13.

Meini, C., Bucciarelli, M. 2006.

Sensitivity to physical and psychological causality.

Annual Meeting of the European Society for Philosophy and Psychology, Belfast, August, the 26th.

Vendrame, M., Cutica, I., Bucciarelli, M. 2007. Discourse comprehension by oral deaf individuals: the role of spontaneous gestures accompanying discourse". *XV Conference of the ESCOP*, Université de Provence, Marseille, 29 Agosto-1 Settembre 2007, p.116.

Vendrame, M., Cutica, I., Bucciarelli, M. 2008.

Co-speech gestures and discourse comprehension: a useful support for oral deaf people? *European Society for the Study of Cognitive Systems, Annual Workshop*, Genova, 2-4 Luglio 2008, pp. 19-21.

Bucciarelli, M. (2008).

Causal models modulate children's bias to act in a moral dilemma.

6th International conference on Thinking, 21-23 August, San Sevolo, Venice, Italy, p.90.

Khemplani, S. e Bucciarelli, M. (2008).

Conflicts in moral reasoning.

6th International conference on Thinking, 21-23 August, San Servolo, Venice, Italy, p.91.

Bucciarelli, M. (2012).

Moral reasoning in children.

International Conference on Thinking 2012, 4-6 July, London.
